

Lifetime Achievement Award

This award will be presented annually to an individual whose volunteerism and outstanding service and dedication have made a significant contribution to the community they have worked and lived in during their lifetime. Very similar to the qualities we look for in the Citizen of the Year Award, we look for the recipient of the Lifetime Achievement Award.

- Someone who is dedicated to St. James and concerned for others. They may have actively served on service, school, church, or community committees.
- A person who has shown a willingness to work with other St. James residents, who is enthusiastic about the town and its citizens, and who works continually towards the betterment of the community. A person with the qualities of honesty and integrity.
- A person who has performed an outstanding achievement or act of heroism
- Someone who has overcome significant personal adversity
